Declarations

- 1) In case of several contestants, the lead contestant declares to have the explicit consent of all contestants on their participation and on the content of this application.
- 2) The information contained in this application is correct and complete.
- 3) I hereby declare that:
- I have fully read and understood and agree to the official Rules of Contest.
 - I am fully eligible and not excluded from participation in accordance with the Rules of Contest.
 - All other contestants have confirmed that they are fully eligible and not excluded from participation in accordance with the Rules of Contest.
- 4) This application complies with ethical principles (including the highest standards of research integrity — as set out, for instance, in the European Code of Conduct for Research Integrity[1] — and including, in particular, avoiding fabrication, falsification, plagiarism or other research misconduct).

According to Article 131 of the Financial Regulation of 25 October 2012 on the financial rules applicable to the general budget of the Union (Official Journal L 298 of 26.10.2012, p. 1) and Article 145 of its Rules of Application (Official Journal L 362, 31.12.2012, p.1) applicants found guilty of misrepresentation may be subject to administrative and financial penalties under certain conditions.

Personal data protection

Your reply to the prize application will involve the recording and processing of personal data (such as your name, address and CV), which will be processed pursuant to Regulation (EC) No 45/2001 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data. Unless indicated otherwise, your replies to the questions in this form and any personal data requested are required to assess your prize application in accordance with the specifications of the prize contest and will be processed solely for that purpose. Details concerning the processing of your personal data are available on the privacy statement at the page:

http://ec.europa.eu/dataprotectionofficer/privacystatement_publicprocurement_en.pdf

Contestants may lodge a complaint about the processing of their personal data with the European Data Protection Supervisor at any time.

1. SUMMARY

Summary (max 2000 characters)

Provide an overall description of your prize application. This summary should give readers a clear idea of what it is about. It should be written as a stand-alone text.

 Please use the same text here and in Part A (Abstract).

Note: The summary must always be in English (even if the rest of your proposal is in another EU language (official EU languages are allowed)).

We may publish this summary for publication/dissemination purposes. Avoid any references to information that is not publicly accessible and do not include any confidential information or personal data (e.g. names and addresses).

2. DETAILED DESCRIPTION

Please describe how you meet the award criteria mentioned below. Please stick to the facts (maximum characters allowed per window: 4000 – with spaces and line breaks included).

Award criterion No 1 – FROM RESULTS TO SOCIETAL BENEFITS

Please describe in the following paragraph how your FP-funded research result(s) created a societal benefit i.e. increased policy effectiveness, improved an existing methodology, enhanced the quality of life, or contributed to society by other means? How did you link the research results to a specific user community? What societal benefits were created as a result?

PRIZE APPLICATION TEMPLATE
Application (Part B)

Award criterion No 2 – IMPACT

Please describe in the following paragraph concrete achievements generated by the use of research results, resulting in transformative economic, societal, and environmental or policy impacts. Please explain which societal challenge was addressed through your research results. What was your contribution to solving this challenge and what is the impact that you have been able to achieve until now? How will the current impact evolve in the following years? How will you ensure the follow-up of the effects generated by your projects results?

ANNEXES (COMPULSORY)

LIST OF ANNEXES

Please remember to upload the **letter of support** from at least one user or user community, stating the importance and impact of the research results and how they were used to create concrete benefits for the specific user-community. The user should not be an academic organization.

This is a compulsory requirement.

PRIZE APPLICATION TEMPLATE Application (Part B)

OTHER INFORMATION (NON-COMPULSORY)

If you have previously created an audio-visual material (i.e. video) that reflects on how you used the research results to create societal benefits, you may include an online link to this already existing video (max 90 seconds).

Please note that the video will not be evaluated as part of the application but it may be used by the Commission for its communication and publicizing activities in accordance with article 8.2.2. of Rules of Contest

This is NOT a compulsory requirement.
